

QUEENS COUNTY FARM MUSEUM

73-50 Little Neck Parkway, Floral Park, New York 11004

Visitor & Volunteer Health and Hygiene Policy

At the Queens County Farm Museum, food safety is a priority. Please review and follow the visitor and volunteer policy. All volunteers must sign in and provide their contact information with farm staff.

1. If you are feeling sick, or have any symptoms of COVID-19, please visit another day when you are feeling better.
2. Please wash your hands at the beginning of your visit, as well as after using the restroom or eating.
3. Eating is permitted only in designated areas. If you have any questions about the location of these areas, please ask our staff.
4. Smoking is not allowed at Queens County Farm Museum.
5. If you are injured, alert staff immediately. Please let your host know if any contamination has come in contact with surfaces or produce, so we can clean the area and properly dispose of the affected produce.
6. Pets are not allowed on the farm, unless it is a service animal. To reduce food safety risks, service animal access is limited in areas where fresh fruit and vegetable production, handling, or packing occurs.
